How to Create a Record for Candidates/Students at the Start of Training

Visit www.sdhca.org/cna. Sign in to TMU and then your **Instructor** record in your state's TMU© database using your Instructor Email or Username and Password.

Questions? Email [SDHCA](#) (details of the issue and screenshots are helpful) or call 1-800-952-3052.

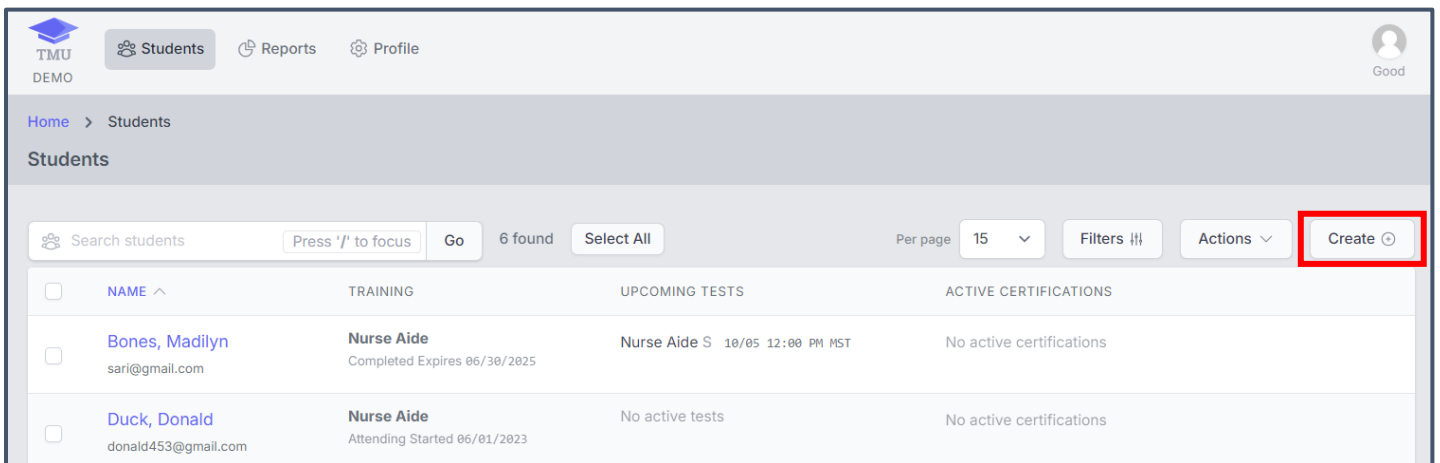

Remember to contact the SDHCA office with all your questions. You will only contact Headmaster if you are having software issues on the day of testing or if SDHCA directs you to their office. We reserve Headmaster to score the exams and assist only in more elevated questions. Thank you.

Click on **STUDENTS**:

The screenshot shows the TMU DEMO dashboard. At the top left, there is a navigation menu with 'Students', 'Reports', and 'Profile'. The main heading is 'Welcome, Good Instructor!' with a sub-heading 'Viewing Nurse Aide (CNA) records'. Below this, there are four main action cards: 'Inbox', 'Your Profile', 'Students', and 'Change Discipline'. The 'Students' card is highlighted with a red border and contains the text 'View related training records and people'. Other cards include 'Search Registry' and 'Your Profile'.

Click on **CREATE**:

The screenshot shows the 'Students' page in the TMU DEMO system. The page title is 'Students' and it shows a list of students. At the top, there is a search bar and a 'Create' button highlighted with a red border. The table below lists students with columns for NAME, TRAINING, UPCOMING TESTS, and ACTIVE CERTIFICATIONS.
